In this charming adaptation of J.K. Rowling's delightful bestseller, Harry Potter discovers that at 11 years old... is a foster child. And as always, Harry gets into trouble, which his best friend, Ron Weasley, usually helps him deal with. The plot, based on the book, is very intense and dynamic, it is impossible to predict it, and it is a real pleasure to watch! From a visual point of view, the movie is not inferior to the book. The same atmosphere, the same colors and the same cast. In general, it's safe to say that the movie, just like the book, turned out just wonderful. 10 out of 10
